

# Curriculum Vitae

## Personal Data

Paolo Tassotti  
Date of birth: 4/3/1978, Rome, Italy  
Living in Quintilio Varo street, 33  
ZIP Code 00174  
Tel. 06/71586097 Mobile: 339/6862453  
e-mail: paolo.tassotti@libero.it  
Country: Italiana

## Education

2004 - Degree in Computer Science (110/110 *summa cum laude*) at "*Università degli Studi di Roma La Sapienza*", P.le Aldo Moro 5, Roma. Thesis: "Disegno ed implementazione di un meccanismo per la migrazione di connessioni TCP/IP"

1997 - Scientific graduation (60/60) at "*Liceo Classico Sperimentale Bertrand Russell*", Tuscolana street 208, Rome

## Work Experience

April 2004 - October 2005: Stage at Caspur ("*Consorzio per le Applicazioni del Supercalcolo*"), Tizi street 5/b, Rome. Installation and testing of computational grids for parallel computing in Globus Toolkit environment. Development of SockMi project (sockmi.sourceforge.net) at Italian National Research Council (CNR) under the supervision of Dr. Massimo Bernaschi, technical chief of Calculus Applications Institute (IAC).

November 2005 - today: PhD student at Computer Science department at "*Università degli Studi di Roma La Sapienza*". Research interests: network security particularly regarding IDS (Intrusion Detection Systems) and WSN (Wireless Sensor Networks). Supervisor: prof. L.V. Mancini.

## Foreign Languages

*English*: very good both spoke and written

## Conoscenze Informatiche

*Sistemi Operativi*: Linux (Sistemista), Mac OS X (User), Windows (User)  
*Programming Languages*: C, Java, Perl, PHP, SQL
